

Dear Academy Student:

I am quite sure that you cannot wait to get started on improving your golf swing and knowledge about the game of golf.

The new season brings some new ideas and new methods that Mr. Yates and I want to establish within the academy curriculum. It is our goal to make the academy more **FUN** and beneficial to you and your friends. As with last year, we will be meeting in smaller groups and we will also include some classroom study that will teach you more about the history of golf, the rules of golf, and just about everything else that is related to the game of golf. One thing is for sure – **IT'S GOING TO BE FUN, FUN, FUN!**

Now, here is something very important for you to remember. **You must fill out the enclosed student information, medical information form, pledge of commitment and return it as soon as possible.**

**The Tony Yates Junior Golf Academy
9879 Forest Glen Drive
Cincinnati, OH 45242**

“Why today, what’s the big hurry” you ask? It is because there is potential that The Tony Yates Junior Golf Academy will have to cut off registration at a certain number of children in effort to make this more fun for you, and more manageable for us adults. We want this to be, more than anything else, a fun experience for you. We want you to have fun while you learn about golf and meet new friends. Registration cut off is scheduled for June 12th.

We will accept these forms as official registration on a first come, first served basis. Therefore, fill out these forms and mail them in today. **If you do not hear from us, that means you have been accepted in the academy. If you have questions, please call.**

Bus transportation and time schedules for exactly when you will be participating in the academy will be mailed to you upon the finalizing of all details. I can’t wait to see you on Saturday, May 3, 2008.

Sincerely,

Tony Yates (513) 984-6799
